The Recycling Center **accepts** glass, plastics #1 & #2, aluminum, tin and steel cans, **oil, batteries**, newspapers and cardboard

The Recycling Center **does not accept** tires, TV's, microwaves, appliances with Freon, (refrigerators, dehumidifiers, etc.) flashlight batteries, antifreeze, paint, propane tanks, all hazardous waste and other refuse or garbage

**RINSE OUT ALL CANS
PLASTICS, AND GLASS
THOROUGHLY!**

**PLEASE CRUSH
YOUR PLASTIC BOTTLES
AS BEST AS POSSIBLE.**

We really appreciate your help in remembering these items. If these things aren't done the cost of our monthly recycling bills will go up. The Town already spends \$750 a month for this service, and can be penalized for recyclables that are not clean. Crushing the plastics will help us utilize more space in the containers. Leasing another container can add a great deal to our already high cost.

NOTE: From May through October the Recycling Center is open on Wednesdays from 6:00 p.m. until 8:00 p.m.

We have also been **accepting brush and leaves** at the Recycling Center. Please take any containers home with you. We do not want plastic bags or boxes in the yard waste recycling area.

Thank you,

Catherine Whelan
Town Clerk
